Landlord register checklist (England)

Unofficial, free checklist for the “Register your rental property” service (Private Rented Sector Database) under the Renters’ Rights Act 2025.

Not an official UK government document. Register only at gov.uk.

What the register is

A new national register in England. Landlords of assured or regulated tenancies must register themselves and each property they let. It rolls out region by region from 15 December 2026, starting in the West Midlands. Each region gets a three-month window, and deadlines follow the **property’s** location, not where you live. You can register early, from 15 December 2026.

Regional windows

Region	Opens	Deadline to register
West Midlands	15 December 2026	14 March 2027
East of England	15 January 2027	14 April 2027
East Midlands	15 February 2027	14 May 2027
South East	15 March 2027	14 June 2027
Yorkshire and Humber	15 April 2027	14 July 2027
North West	15 May 2027	14 August 2027
North East	15 June 2027	14 September 2027

South West	15 August 2027	14 November 2027

Final date: all landlords actively letting property need to have registered by **14 November 2027**. Initially only properties under let (or that become occupied during rollout) must be registered; unoccupied properties will be covered by future legislation.
